**INTERVIEW SUMMARY**

Applicant thanks the Examiner for the telephonic Interview held 6/16/2010. During the Interview, Applicant and Examiner discussed pending amended claims and the cited art. Examiner discussed paragraph 0022 of Grunwald and the mention of user behavior. Applicant noted that the cited portion of Grunwald occurs at install or set-up time prior to the application executing and therefore information about user behavior from interaction with the application and input devices directing input to the application is not possible. Examiner agreed that the outstanding rejection would be withdrawn and further search performed.

**CONCLUSION**

The present application is in condition for allowance. A prompt action to such end is requested.

Should any fees be required in connection with this document, the Commissioner is authorized to charge those fees to Deposit Account No. 50-0463.

If the Examiner believes a telephone interview would be helpful to expedite prosecution, the Examiner is invited to contact Applicant's undersigned representative at the telephone number below.
